

## **JOB DESCRIPTION:**

### **AMPED PROGRAM MANAGER OR PLAY PICKLEBALL PROGRAM MANAGER**

**Vision:** Have 4 impactful PHIT America Programs (AMPED, PLAY TENNIS, PLAY GOLF, PLAY PICKLEBALL) driven by 4 PHIT America Experts (Program Managers) that provide PE Teachers with the best program kit, curriculum, and materials to help elementary school kids learn these activities in a fun way.

**Phase One:** For the First 2 Months - Approximately 15-20 hours per week (at your own schedule)

1. Research existing ways to deliver the sport (AMPED or PICKLEBALL) to kids in fun way for our sport - review online content we can reproduce or create.
2. Determine if our existing program kit is what PE Teacher and school will need; Look at the competition and what they offer.
3. Realize the audience - young children ...some with limited physical skills and PE Teachers who we want to motivate to your/our programs more often.
4. Write 8-12 short 2-minute video scripts for ways to use our kit and program that is available year-round.
5. Do you like to be on camera? If yes, you will have to attend the video production in the second month probably in Charleston, SC.
6. Whoever is demonstrating (you or some other PE Teacher), we must make sure they are a great presenter and show kids having fun.

**NOTE:** videos will be loaded on website and make it easy for teachers / Champions to access them on their mobile devices. You will be on at least 1 Zoom session with all 4 program managers.

**Phase Two:** Early 2024 - Work Approximately 10 hours per week or 20-25% of your time

**Goal:** Every school that has our program kit / program is ACTIVE and excited to use your content.

1. Every month send 1 Update / Newsletter for your program to your Champions (via PHIT staff)
2. Ask your 'Champions' (PE Teachers who have your programs) to submit their ideas of new ways to deliver a program...even emailing a video to us.
3. Always find ways to keep our PHIT America Champions focused on your program with new fun ideas and tips.
4. Every couple of months, come up with ways to get other schools to want your program.

#### **Skills Needed:**

1. Expert in the program, program components and curriculum for AMPED and/or PLAY PICKLEBALL
2. Good communications skills.
3. Ideally good on camera or at PE Conventions
4. Stresses FUN and not too mechanical
5. Can relate to 5-9 year olds and average PE Teachers
6. Evaluate program kit contents - Example: Do we need hula-hoops for AMPED (Running Games)?
7. Self-Starter - does not have to be managed
